Our Lady of Mount Carmel School in Boonton, NJ, serves families with students in pre-Kindergarten through eighth grade by providing an education that is distinctly Classical and authentically Catholic. Drawing upon the best of the Roman Catholic educational tradition, students are immersed in the liturgical life of the Church, encouraged in their love of God and neighbor, and challenged by a curriculum that is steeped in the Classics. Through their encounter with the True, the Good, and the Beautiful, we awaken children's imaginations, inspire their minds, and inflame their hearts for lives of eternal purpose.
